Using Vehicle Recall Information

DVSA and its suppliers try to ensure that the information published on this website is accurate. However, as the information is aggregated from various sources, we can't accept any liability for the accuracy of content. This service provides an indicative check for outstanding safety recalls as at the date specified. Visitors and customers who rely on this information do so at their own risk. Visitors and customers are strongly encouraged to independently verify the information before acting or deciding not to act on that information.

The recalls data is obtained through a third party. The terms and conditions for the data can be found on by selecting the 'terms and conditions' link.
